Dear Sir:

Patentee is in receipt of a communication from the U.S. Patent and Trademark Office regarding the Request for Certificate of Correction filed June 17, 2005 (a copy of which is attached for your convenience). The communication indicates that the Request has been denied and states that a request to correct the Assignee under 37 CFR 3.81(b) should include:

- A. the processing fee set forth in 37 CFR 1.117(h) - **For payment of this fee, please charge our Deposit Account No. 07-2347, under Order No. 00-8006 from which the undersigned is authorized to draw;**
- B. a statement that the failure to include the correct assignee name on the PTOL-85B was inadvertent - **The error now sought to be corrected is an inadvertent typographical error the correction of which does not involve new matter or require reexamination; and**

C. a copy of the Notice of Recordation of Assignment Document, reflecting the reel and frame number where the assignment(s) is recorded and/or reflecting proof of the date the assignment was submitted for recordation - **A copy of the recorded assignment from inventor Anthony Ephremides to University of Maryland, as well as the recorded assignment from inventor Deepak Ayyagari to Verizon Laboratories Inc. is now attached.**

Patentee now believes that with the filing of the Request for Certificate of Correction stating that the error was inadvertent, authorization for the requested fee for the filing, and the copies of the recorded assignments that the appropriate Certificate of Correction can now be issued.

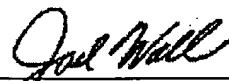

Patentee requests that the file be forwarded to Certificates of Correction Branch for issuance of a Certificate of Correction, if this Request is granted. As stated in the denial communication from the U.S. Patent and Trademark Office, the \$100 fee for issuance of the Certificate of Correction was previously submitted.

The Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 07-2347, under Order No. 00-8006 from which the undersigned is authorized to draw.

Respectfully submitted,
